Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois.

Please note—

Two sales are to be held in the same sale pavilion at London, Ohio, on the same day, October 5th. At 12:00 noon, David S. Graham will sell one-half of his famous Greenwood Herd. This herd, located at South Solon, Ohio, 15 miles from the sale pavilion, and made up almost entirely of imported females and their daughters, is one of the most widely and favorably known Shorthorn herds in North America.

The Ohio Shorthorn Breeders' Ass'n. Sale, containing hand picked consignments from the leading breeders in the state, will start at approximately 3:00 P.M., immediately following the close of the Greenwood Sale.

A total of 23 bulls and 60 females will sell in these two sales. All of these cattle will be stalled in the same pavilion. Both sales are under the same management, and catalogs may be obtained by writing Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois.

Terms and Conditions

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction and before cattle are removed. All stock will be at the buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

HEALTH—All cattle are sold subject to a 60-day retest for Tuberculosis. Health certificates will be issued by a representative from the office of the Ohio State Veterinarian. All cattle have been blood tested for Bang's Disease within 30 days of the date of this sale with the exception of females in this sale officially calfhood vaccinated and under-age. In these cases, vaccination certificates will be delivered to the buyer at the time of the sale.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignor. Announcements from the auction box will take precedence over printed matter in the catalog.

The above guarantee and terms constitute a contract between the consignor and buyer of each lot. Neither the Ohio Shorthorn Breeders' Association, the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise.

The auctioneer, clerk and sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accidents that may occur. Those in charge will make every effort to provide for the comfort and safety of those attending the sale, but they can't accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk.

MILLBROOK GLOSTER 30th—This two-year-old daughter of Leveldale Barrister comes from a rapid breeding Duchess of Gloster family that we have had in our herd for many years. Also a member of our show herd, this heifer was bred April 13th to Balbithan Emperor. This is the great imported bull we purchased in the dispersion of Thos. E. Wilson's great Edellyn Herd. Many of the top selling calves in the Edellyn dispersion were by Balbithan Emperor.

Here are a few of the members of the Clay Hills herd. Owner Carl H. Stander calls this a "Non-Hothouse" herd of cows. Don't they look perfect in this natural setting?

More history-making Short-horns have had their origin in Ohio than any other state . . . and Ohio Short-horns are better today than ever.

Here are a few of the cows in the strong herd maintained by Harvey Hoe-wischer & Son. All display the character that goes along with good breeding.

Pastures are lush at Willow Lee Farms and wonderful Shorthorns graze them. Few herds have earned a finer reputation for the production of good-doing cattle.

Plan to join the group of critical judges who will gather at the Greenwood and Ohio State sales on October 5th.

(Left) Acadia Highland Classic. This son of Calrossie Troubadour is siring great calves through his service in the herd of Ohio State University. Two of his daughters will sell in this sale. See Lots 19 and 20.

(Right) Napoleon Monarch. This son of Kinellar Napoleon is junior stock bull in the herd at Ohio State University. He was the grand champion bull at the 1958 Ohio State Shorthorn Show and reserve grand champion at the 1958 Ohio State Fair. Lot 19 in this sale will carry his service.
